PRESIDENT'S MESSAGE

Dear Chamber Members,

While the weather is heating up in Lakeside, it is also heating up at the chamber. Our Directors and Staff have been burning brain power to find creative and successful ways to keep the business community alive and going. The partnership between the chamber and our members requires commitment and time from both sides. We encourage you to take the step to join forces with the chamber in making Lakeside the place where economic growth continues and the quality of life for all is one we can be proud of. This process requires each and every one of us to make the effort to engage back into the community, to participate in activities where your name and face are seen as a positive influence in Lakeside, showing a united front against indifference and where Lakeside is everyone's number one priority. The Chamber and its members can be the catalyst that sparks prosperity that ripples throughout the community. So as you renew your membership, please take a moment to also renew your commitment to become an active member, to participate in the mixers, attend the board meetings, to offer comments & suggestions, to engage back into the community that supports you and in return the rewards will be tenfold. I also want to offer a huge thanks to Southland Envelope for their wonderful hospitality at June's mixer. If you did not attend, you truly missed an evening of great food & refreshments and a fascination tour of their facility. Our mixers are getting bigger and better, don't be the lone person kicking themselves for missing out on another opportunity to meet and see the best of the best in Lakeside. I want to thank the Directors and Community Leaders who took time from their busy schedules to attend our retreat and helped generate ideas that will ensure a successful year for Lakeside's Chamber of Commerce and the community. So while you are sipping your iced tea, drinking a cold beer, mixing another batch of frosty margaritas and the urge to contact me regarding your ideas, suggestions, compliments and/or helpful hints hits you, you can reach me at 619-889-7722 or eggman1@cox.net.

Frank Hilliker
President

A big THANKS to Anton's Services for clearing the weeds around the Chamber Office—

Southland welcomed us with a comfortable setting & offered an array of delicious food and refreshing drinks

A MIXER TO REMEMBER!

June's mixer was hosted by Southland Envelope, Inc. A warm summer evening began with a wonderful array of food and refreshments, nestled among the beautiful landscaping of Southland's manufacturing facility. We were treated with a tour of their envelope facility, fascinated by the inner workings and their high tech machinery, in this around the clock manufacturing plant.

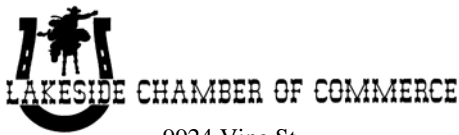

**THANK YOU SOUTHLAND FOR THE
WONDERFUL HOSPITALITY!**
