PRESIDENT'S MESSAGE

Dear Chamber Members,

With summer winding down we are revving up for our fall events. Pull out your calendars because you don't want to miss a single opportunity to become involved with the community and get the name recognition your business deserves. September will provide you with a mixer to meet fellow members and community leaders, while learning about the recently designated Historic Highway 80. November will be filled with our first annual golf tournament, played at Barona's famous golf course, with proceeds funding scholarships for our very own Lakeside Students. Don't miss this great opportunity to sponsor this event, your name seen by many, while helping Lakeside's graduates further their education. November also brings a great opportunity to be heard by our Sheriff's Dept and learn how to deter crime in Lakeside. And don't forget to put the Spirit of Christmas on your calendar, an old-fashion Christmas on Maine St. I also want to thank Barona Valley Ranch Resort & Casino for the insightful and delicious Mixer in August. We enjoyed the huge buffet and listened to Karol Schoen, Barona's General Manger give us an insight to Barona's success. Our mixers just get bigger and better! Hope to see you at the next one.
