PRESIDENT'S MESSAGE

Dear Chamber Members,

These last few weeks can only be described by one word—BUSY! 2006 is winding down with two successful events behind us. Our 1st annual Scholarship Golf Tournament was a tremendous success. The perfect fall day was only topped by the beautiful setting at Barona Creek Golf Center. 72 golfers arrived ready to play, compete, win prizes and trophies, and eat a wonderful BBQ buffet. But let us not forget the purpose of this golf tournament; to raise scholarship funds to help further Lakeside student's education. With the tremendous support of our sponsors and golfers we have funded our first scholarship program and will be sending out notices to the local high schools. This amazing feat was accomplished by Steve Menefee and his team, Todd Williams, James Fread, Mike Anderson and Kathy Kassel. I also want to thank Barona for their guidance and support.

The Holiday season is now in full swing. Our 8th annual Spirit of Christmas was the perfect way to kick off the Holiday Season. The Lakeside Community came out and enjoyed a day filled with the sights and sounds of Christmas. The children played in the snow, petted a baby lama, baby lamb, rabbits and even a turkey. Our Maine Ave was filled with activities, crafts, informational booths, food, holiday decorations and the sounds of our local talent, singing, dancing and talented band members. The day was highlighted with the arrival of Santa, visiting with the children and getting their Christmas wish list in order. As dusk fell, the Lakeside Fire Dept arrived and flipped the switch to light up Lakeside's Community Christmas Tree. I want to thank Terry Leimbach for all her hard work and dedication in heading up this year's Spirit of Christmas Committee. I appreciate the hard work her committee, Bonnie Larsen, Venus Rodvold, Kathy Kassel and Tom Bellew put into another successful event.

As we end 2006 and we begin to make our 2007 New Years Resolutions, I am requesting that one of your resolutions is to become an active partner with the Chamber. Let us team up, working together to ensure Lakeside continues to be the best place to live and work.

I want to wish you all a Very Merry Christmas, have a safe New Year and as always I am available to hear any suggestion, comments or ideas you may have.

Frank Hilliker
 President

Did you know the San Vicente Dam will be Raised to Store more water?

are invited to attend a community forum to learn more about the San Diego County Water Authority's plans for the San Vicente Dam and Reservoir. This will also be an opportunity for community members to provide input on the Carryover Storage and San Vicente Dam Raise Project and environmental study.

Community Forum Details

When: Monday, Dec. 11, 2006

- Open house: 6 - 7 p.m.
- Presentation and oral comments: 7 p.m.
- Open house resumes following presentation and oral comments

Where: Lakeside Community Center, Meyer Hall
9841 Vine Street, Lakeside

During the open house, community members will have a chance to meet with the project team and ask questions about the project. Please keep in mind questions will be answered only during the open house portion. Members of the community will have three minutes each to provide their oral comments after the presentation. The open house will resume after oral comments to answer any additional questions.

For more information please call toll free **(877) 426-2010** or visit the Water Authority's website at **www.sdcwa.org**, click on "Infrastructure," then "ESP," then "San Vicente Dam Raise."
